

# Caddyshack

CALIFORNIA HOMEBUILDING FOUNDATION  
HOMEAID ORANGE COUNTY

## Golf Tournament

*“Be the ball” with two great organizations for a fun day of golf and networking.*

**EVENT DATE:** Monday, October 10, 2016

**LOCATION:** SeaCliff Country Club, Huntington Beach, CA

**EVENT SPONSORSHIP OPPORTUNITIES:** Event and game sponsorships are an ideal way to make your organization’s name and product visible to a broad market group. Sponsors will receive their company logo on tournament marketing materials and the California Homebuilding Foundation and HomeAid Orange County web-pages, recognition throughout the course the day of the tournament and in the player brochure. - Volunteer

**CALIFORNIA HOMEBUILDING FOUNDATION** (CHF)’s mission is to ensure the continued success of the homebuilding industry through scholarships, the development of its current and future workforce, funding pertinent research, and honoring exemplary industry leaders. The Foundation promotes the Building Industry Technology Academy (BITA) program, a comprehensive four-year high school construction trade program developed by BIASC member companies and education leaders. BITA allows students to graduate with the basic skills needed to transition from high school to employment in the trades.

**HOMEAID ORANGE COUNTY** is the founding chapter of a national non-profit organization with the vision and purpose to end homelessness. With a mission of building new lives for homeless families and individuals through housing and community outreach, HomeAid develops housing, advocates for the homeless and provides service opportunities in the community.

Since 1989, HomeAid Orange County has transformed the lives of over 55,000 homeless through 55 completed developments which have added 1,136 shelter beds throughout the County. HomeAid acts as the housing developer and liaison between service providers, community volunteers, builders and specialty contractors. Tragically thousands are still in need of shelter each and every day. To help solve this social crisis, new housing developments are being planned and constructed throughout Orange County.
