Event Summary

The California Homebuilding Foundation Hall of Fame gala honors individuals who have enriched the homebuilding industry through innovation, public service and philanthropy. The Hall of Fame celebration is a black-tie (optional) social event, re-uniting the most successful builders, architects, developers and associate professionals in the homebuilding industry, all gathered to honor incoming Hall of Fame Inductees.

About the Foundation

Through the distribution of annual scholarships, the publishing of key industry research findings and innovative educational programs, the California Homebuilding Foundation offers opportunity for all to professionally flourish while building a stronger foundation for California's future together. Those who support the California Homebuilding Foundation invest in the sustainability of our industry's workforce and the integrity of our local communities.
