Leadership & Generosity

\$100,000 Donation Received from The Harry C. & Deborah L. Elliott Family Foundation

The California Homebuilding Foundation has received a \$100,000 donation from the Harry C. & Deborah L. Elliott Family Foundation. We are so grateful for the leadership and multiple financial contributions the Elliott Family Foundation has provided to us for decades. The ongoing generosity of the Elliott Family Foundation will help us continue to provide student scholarships, research focusing on issues critical to the development of new housing, and construction training programs now operating in over 50 California high schools..

Established in 2003, the Harry C. & Deborah L. Elliott Family Foundation is the philanthropic arm of builder and developer Elliott Homes. Led by Harry C. Elliott III since 1984, Elliott Homes has built more than 25,000 single-family homes throughout California and Arizona. Mr. Elliott has served on the California Homebuilding Foundation Board of Trustees for more than 30 years. He was inducted into the California Homebuilding Foundation Hall of Fame in 1993 and continues to play an active role in the planning and strategic direction of our organization.

Thank you to The Harry C. & Deborah L. Elliott Family Foundation for its continued support!
