**California Homebuilding Foundation Announces  
Class of 2024 Inductees for 39<sup>th</sup> Annual Hall of Fame Gala**

**SACRAMENTO, CA – January 26, 2024** – The California Homebuilding Foundation has released details for its highly anticipated 39<sup>th</sup> annual Hall of Fame Gala, including the announcement of its four Class of 2024 inductees.

The prestigious black-tie event, which celebrates California's legends and trailblazers in the homebuilding industry, will be held on June 18, 2024 at the Westin Anaheim Resort. Each year, Hall of Fame inductees are carefully selected based on several noteworthy factors, including career progression, experience, philanthropic efforts, and exemplary service. The Class of 2024 inductees are as follows: Laura Archuleta, President and CEO of Jamboree Housing Corporation; Liesel Cooper, National President of Century Communities; Dan Hanson, Executive Director of Enterprise Partnerships and Acquisitions for loanDepot; and Matt Koart, Chief Operating Officer of PulteGroup, Inc.

"Induction into the Hall of Fame is the highest mark of achievement in the homebuilding industry," said Executive Director, Terri Brunson. "We're honored to commemorate the accomplishments of these four remarkable individuals who truly exemplify California's innovative spirit in homebuilding."

This year's Hall of Fame Gala will feature an unscripted format, allowing for inductees to share their stories and memories with attendees — including California's most prominent builders, developers, and associates — in a more personal, meaningful way.

The Hall of Fame Gala is the Foundation's largest gathering of the year and is regarded as a premier, high-profile industry event. To learn more about the Class of 2024 Hall of Fame inductees, the Gala and available sponsorship opportunities, visit [mychf.org](https://mychf.org).

### **About The California Homebuilding Foundation**

The California Homebuilding Foundation is a 501(c)3 nonprofit dedicated to fostering the scholastic success of the state's next generation of builders. The Foundation's mission is to lead, advance and support the California homebuilding industry, one new builder at a time. Through the distribution of scholarships, the publishing of key industry research findings and innovative educational programs, the Foundation offers opportunities for all to professionally flourish, while building a stronger foundation for California's future together.
